#### **MILK LAMBS (583)**

*Overall average 180p per kilo*

A great show of finished lambs from some of our top producers in particular David Spanton, Simon Feakes, Mark Gribble, Friday Street Farmers, Christine Howe and David Blake. A good day was had by all with spirited bidding throughout. Good feeding and presentation does pay a handsome dividend, please get them the very best you can and get them to Hailsham and please let us know what you have.

### **STORE LAMBS & BREEDING SHEEP (285)**

Hailsham leads the way producing the best store lamb price 52 weeks of the year and today was no exception. Whatever the make and model there is a job for it at Hailsham, in particular big runs as certain buyers do not wish to mix consignments. There is still grass a plenty and this together with the increased finished price has fuelled demand, creating a warring faction amongst the buyers. Take advantage of this hostility and bring your stores to Hailsham in the next few weeks. The motto is "sell stores early and often". A temporary disappointment in the Breeding Sheep trade which will no doubt be rectified during the forthcoming weeks.

R Gorringe £66, £64, C Bowers £63, D Powell £62.50, £61.50, HC Grissell £60.50, DT & KJ Tester £59.50, £56, GN & J West £54.50, £53.50, £53, S Stanisstreet £53.50 (thrice).

### **CULL EWES (104)**

A lamentable number on offer and a diabolical national price of £58 per head. Why mess about trying to sell your ewes anywhere other than Hailsham where the returns are awesome. The Hailsham ewe trade is an out and out flyer.

The Norton Farm P'ship £107, £90, £78, £74, C Bowers £88, RG Whyman £87, FG Coles £87, £79, C Bull £85, Miss C Howe £81, K Beach £77.

**A draw will now take place to determine the start of the finished lambs**

**So please get your sheep to market early as  
first penned will not necessarily mean first sold**
