SHEEP (742) - *Auctioneer: Nick Young*

Although the weakness in the pound may help Lamb exports, it will undoubtedly cause an increase in the fuel price.

MILK LAMBS (295)

Overall average 175p per kilo

Despite the weakness of the pound the national price fell by about 15p per kg and Hailsham generally was no different. However David Spanton's superb offering really rang the bell. Under difficult trading conditions it is the best that will win every time.

Our advice remains constant, make the most of your lambs by good finishing.

Please keep in touch and let us know what you have.

Leading prices per head:- D Spanton £85, £81.50, ND Beaney £81, Norton Farm Partnership £78.50, £78 (thrice), £75, FS Major & Sons £78, Sterling Farms Ltd £77, P O'Connor £76.50, G Harvey £75, M Puttick £75, R Marsh £75

Leading prices per kilo:- D Spanton 198.1p, 186.9p, Norton Farm Partnership 192.4p, 191.2p, 188.8p, 181.4p, 180.3p, F S Major & Sons 185.7p, 185.2p, Sterling Farms Ltd 180.3p, P O'Connor 179.6p, K Axell, 178.8p, 178.4p, 176.6p

STORE LAMBS & BREEDING SHEEP (360)

Fierce competition from all sectors. R Denmans Cheviot/Mule shearlings £122 and £120. All store lambs battled from first to last. In the short term the prognosis for selling is good. Dont miss selling now as the price will inevitably fall when more become available

R & K Livestock Services £58.50, £54.50, J Stone £58, NE & VS Velvick £55, TF Hughes £55, £54, PJ & JD Owen £55, GN & J West £54.50, £53.50, G Harvey £54, £53, SC & RJ Bishop £53, R Denman £53

CULL EWES (66)

Nationally the trade is not particularly exciting. The Hailsham selection was not the best but there were some veritable highlights, Poppinghole Farm (Shane Carter) to £87. R & L Haines £75, Norton Farm Partnership £74 £69, Sterling Farms Ltd £72, R Denman £71, £61, P O'Connor £70, K Axell £67
