## **Message from Farming Community Network (FCN)**

This winter we're all feeling the impacts of skyrocketing input costs, inflation, labour shortages and radical policy changes, to name but a few challenges.

With colder weather and darker nights, we can sometimes find ourselves feeling isolated, lonely and like we're carrying the weight of the world on our shoulders.

But we must remember that we're part of a supportive community that truly cares. That's where The Farming Community Network (FCN) comes in.

Our charity supports farmers and people in agricultural roles during difficult times. We are a vital listening ear when people are struggling. We are a supportive network of local farming friends. And we play an important role in helping farmers and farming families find a positive way forward through any issues they may be having, walking with them on this journey.

Through local support as well as our confidential Helpline (03000 111 999) and e-Helpline ([help@fcn.org.uk](mailto:help@fcn.org.uk)), we help more than 6,000 people a year with a wide range of issues – from animal welfare issues and financial concerns to family mediation and mental ill-health.

We are trusted by the farming community and have been called a 'lifeline' and a 'trusted friend' by those we have helped.

You don't need to carry burdens alone.

We're here to listen, support and help you.

We are farmers helping farmers.

Please get in touch if there is anything we can do to help you, your family or people you may be worried about.

**Take care and have a safe and merry Christmas.**

# HAILSHAM MARKET - PRIMESTOCK DAY

## ***SHEEP – 910***

***Against All Expectations***

***An excellent days trading. With tales of woe at all other centres from the North to the South of England, Hailsham certainly bucked the downward trend with finished lambs 11p per kilo and cull ewes £12 per head in front of the National. Next Wednesday 21st all sheep are wanted - whether fat, stores or ewes - due to the prolonged factory shutdown which follows. Get your stock in early and please pre-book. Ring the Market Hotline on 01323 844874***

### **PRIME LAMBS (303) Auctioneer: Nick Young Overall average 251.67p**

### **STORE LAMBS (215) Auctioneer: Nick Young**

Hailsham's Jewel in the Crown 52 weeks a year on a Wednesday - the store lamb trade never disappoints and at these prices with hard feed prices where they are it surely pays to sell now rather than having to feed them for 3 possibly 4 months of hard winter. **Holly Arpino** leads the store returns at **£107**. More stores will definitely be wanted next week as a thaw is predicted. *Please keep in touch with entries.*
