Limousin x heifers, 10 months **£715**

***and finally***

**Ducky's Farm's** Sussex cows and calves to **£1180**

### **INCONCLUSIVE TB REACTORS**

Have you had an Inconclusive Reactor (IR) on your holding ?  
Which has subsequently been resolved (ie passed it's TB test)

Please check your 'IR's' before selling them

NB: They can only go direct to a slaughter house or AFU under licence.

**South East Marts are happy to arrange this for you.**

The only other option is to test the animal again, at your cost using an interferon-gamma blood test, then if this is negative, restrictions will be lifted.

# WARREN BARN, TRIPP HILL FARM

FITTLEWORTH, NEAR PULBOROUGH

Out wintered, from **A Firrell**

**Eighteen** Aberdeen Angus x steers & heifers, 12/13 months  
From **K Russell & daughter**

***Please let us know what you have***

# HAILSHAM MARKET - PRIMESTOCK DAY

## ***SHEEP – 693***

***A bleak mid-winter for many UK farmers, as a direct result of Brexit, COVID and the importation of £230 million of frozen sheep meat per annum from New Zealand and Australia. Challenging times!!***

### **PRIME HOGGETS (226) Auctioneer: Nick Young Overall average 215.7p**

Trade everywhere is back and, sadly, Hailsham was no exception. The very best just about survived. The majority of good lambs topped £100 per head but that is not a proud boast! Meat is wanted but only at a price. Under meated sheep, of which there were many, are a very lacklustre trade. Top calls **F A Starley Partnership £114** followed by **D Blake Partnership £114**.

**Leading prices:** F A Starley Partnership £114, D Blake & Partners £114, £105, AGL Ainslie £110, £102, J Visser £110, Downsview Sheep £109, £95 (twice), D, S & P Humphrey £109, £108, £105, A C Ellett £105, £100, Jason West £98 (twice)

**Leading prices per kilo:** A C Ellett 237.5p, 235.4p, 220.9p, 215.1p, Jason West 236.1p, 220.2p, Downsview Sheep 229.8p, 225.7p (twice), 213.5p, CBull 219.9p, D, S & P Humphrey 219.5p, 218.4p, 218p, D Blake & Partners 215.2p, I & L Hutchinson 213.8p

### **STORE LAMBS (305) Auctioneer: Nick Young**

A surprisingly good trade considering where the finished price currently lies. **Roger Hoggins, Sally Cripps** and **Downsview Sheep** all make the top call of **£80** per head. Keep these stores coming. As the frost takes away the grass it makes sense to sell store lambs to one of the specialist feeder buyers at Hailsham.

**Leading prices:** R Hoggins £80, Sally Cripps £83, Downsview Sheep £80, £70, N Laker £79, £74, £73, L Maitland £77, F W & M J Akehurst £76, £72, A Jarrett £76, R Badcock £75, £68 (twice), J P Pragnell £75, M McKay £72

### **CULL EWES (148) Auctioneer: Nick Young**

Cull ewes are a by-product of the lamb industry. Hailsham ewes sold well. Top call from **Messrs Humphrey, Chichester** at **£118** closely attended by **Fred and Monica Akehurst** at **£103**. Consistently, ewes do well at Hailsham - we want yours, please.

**Leading prices:** D, S & P Humphrey £118, F W & M J Akehurst £103 (twice), £94, Miss R E Hinton £95, D P Ellis £94 (twice), £91, D Van Duyne £94, £90, £85, J Pitman Ltd £88, R & S Carr Farms £84, £78, C Hart £83, M Harding £81

### **BREEDING SHEEP (14) Auctioneer: Nick Young**

Top call for smart Suffolk in-lambs ewes from **Vockins & May** realised **£138** per head. *More of these and couples are definitely wanted. Call us.*

*We want to see your sheep at Hailsham! Please let us know what you have  
Ring the market hotline on 01323 844874 or text the Sheep hotline 07890 359622*

**Sad to report the passing of  
David Hobbs of Fulling Mill Farm, Lindfield**

Beef and arable farmer and past dairy farmer - father of Alison David who farmed both at Lindfield and East Grinstead was a keen supporter previously at Haywards Heath Market and subsequently at Hailsham Market throughout his farming life

# Competitive Direct Drilling Service

Using our proven Simtech Aitchison direct drill we seed into all surfaces - grasses, clovers, brassicas, cereals, pulses, maize and all mixtures. The unique T-slot boot allows a perfect environment for the seeds to germinate, along its 3 metre sowing width with 20 rows (15cm). This method saves time and money compared with more traditional re-seeding methods, but is also capable of stitching and rejuvenating existing crops.
