HAILSHAM MARKET - PRIMESTOCK DAY

SHEEP – 1266

President Biden is in Ireland ostensibly to underline the Good Friday Agreement but also to carry favour with the Irish American voters back home! The UK economy is at a standstill and French school children are prevented from coming to the UK because of UK border controls, which do not work in respect of illegal immigrants. Congratulations to Richard and Carla Spanton on the arrival of their first born. Adverse weather conditions severely hamper lambing. Good weather is forecast and the Hailsham sheep trade is something to shout about!

Competitive Direct Drilling Service

Using our proven Simtech Aitchison direct drill we seed into all surfaces - grasses, clovers, brassicas, cereals, pulses, maize and all mixtures. The unique T-slot boot allows a perfect environment for the seeds to germinate, along its 3 metre sowing width with 20 rows (15cm). This method saves time and money compared with more traditional re-seeding methods, but is also capable of stitching and rejuvenating existing crops.
