HAILSHAM MARKET - PRIMESTOCK DAY

SHEEP – 1210

It has been reported that many dairy farmers throughout the UK have sold their cows, in particular in the West Country, due to the uneconomic milk price. How many would still be in business were it not for the abandonment of the BPS and Brexit?

MILK LAMBS (487) Auctioneer: Nick Young Overall average 254.7p

Traded at a lower level than last week. Nonetheless, the best and the biggest meated hoggets were keenly contested, as the leader board clearly shows.

Leading prices: A D Woolgar £136, J Morson £135, E Killick & C Derragon £134, £124, R White £134, £125, R Grover £130, J Garner £129, J Gingell £126, C Bassett £125

Leading prices per kilo: D Johnson 287p, E Killick & C Derragon 284p, A D Woolgar 283p, 278p, R White 272p, Mays farm Ltd 272p, J Morson 270p, R Pattenden 270p, H Arpino 269p, JCH Garner 268p

STORE SHEEP (445) Auctioneer: Nick Young

A great entry. Trade was fuelled by the recent grass growth, unlike last year. There was fierce competition from the many graziers present. A superb run from Kevin Reed really rang the bell and sold over 100 lambs to average £90, A great credit to the Reed family.

Leading prices: R White £105, K Reed £101, £95, £90 (twice) L Barrett £97, JD Trunkfield £95, H Arpino £94, R Russell £94, P Harris £93

CULL EWES & RAMS (278) Auctioneer: Nick Young

A terrific show of quality with each ewe “battled” from first to last. The definite highlight of the day was the sublime run of big ewes from Castle Goring Farms. They are a credit to you Clem!
