Preliminary Announcement

Veterinary Attestation

effective from 13th December 2023

Livestock being sold for slaughter will require a Veterinary Attestation number to meet EU requirements if the animal and or part of the animal is to be exported out of the UK.

VAN number

Veterinary Attestation Number known as the **VAN number** will appear on the Veterinary Attestation Certificate provided by the Vet after the annual on-farm veterinary visit which will be valid for twelve months.

Vendors who are already a member of a farm assurance scheme ie Red Tractor etc will automatically qualify because they would have had a regular annual health visit from a vet.

At the point of sale potential purchasers will be informed whether stock has a valid **VAN/Farm Assurance** number.

Stock without a valid VAN number or Red Tractor approved will not qualify for export.

***VAN** - The position and implementation is on-going but the foregoing is a brief summary as at today - discussions between Defra, Welsh Government, RCVS and the Livestock Auctioneers Association are continuing.*

The industry fights hard to oppose Veterinary Attestation but 13th December looms - watch this space.

BLUETONGUE IS A NOTIFIABLE ANIMAL DISEASE

If you suspect it you must report it immediately by calling the
Defra Rural Services Helpline on 03000 200 301

Following routine bluetongue surveillance, a single cow has tested positive for bluetongue serotype 3 on a premises near Canterbury, Kent. A 10 km temporary control zone has been declared around the premises where the animal was kept.

Movement restrictions apply to cattle, sheep and other ruminants.

Adult cattle may serve as a source of virus for several weeks while displaying little or no clinical signs of disease and are often the preferred host for insect vectors.

Signs of the disease ***in cattle*** include:

- lethargy
- crusty erosions around the nostrils and muzzle
- redness of the mouth, eyes, nose
- reddening of the skin above the hoof
- nasal discharge
- reddening and erosions on the teats
- fever
- milk drop
- not eating
- abortion

Sheep are more likely to show obvious clinical signs of Bluetongue than cattle if they become infected.

Signs of the disease ***in sheep*** include:

- ulcers or sores in the mouth and nose
- discharge from the eyes or nose and drooling from mouth
- swelling of the lips, tongue, head and neck and the coronary band (where the skin of the leg meets the horn of the foot)
- red skin as a result of blood collecting beneath the surface
- fever
- lameness
- breathing problems
- abortion
- death

HAILSHAM MARKET - PRIMESTOCK DAY

SHEEP – 1634

Yet another big day at Hailsham. Good numbers and many more are wanted to satisfy the demand. Please pick up the phone or text and tell us what you have in order that we may notify our many buyers. On the political front, Braverman departs and Cameron arrives. There is little doubt that this is unlikely to revive the Conservative Party's fortunes at the next General Election.

PRIME LAMBS (338) Auctioneer: Nick Young Overall average 262.3p

A terrific trade. Extremely wet weather has restricted supply and the finishing of meated lambs and consequentially, the price has risen. Top call **G W Bridges £147** attended by **Danny Woolgar £140**. In the price per kilo stakes several lots crashed through the 300p per kilo barrier. Top call **E J Day**, Kent 307p.

No complaints whatsoever, however, it is essential you present your lambs in meated condition. Lambs will not finish on sodden pastures with rain on their backs. Good feeding pays rewards and particularly so at these recent prices!

Leading prices: GW Bridges £147, £139, AD Woolgar £140, C Bull £138, H J Cross & Son £137, £136, £131, E Killick & C Deragon £131, C A Powell £129, JCH Garner £128, Ashdown & General Land Co £128

Leading prices per kilo: EJ Day Ltd 307p, JCH Garner 305p, H J Cross & Son 300p, 293p, 279p, C A Powell 284p, Holly Arpino 284p, Charlotte Morris 282p, C Bull 282p, AD Woolgar 278p

STORE SHEEP (755) Auctioneer: Nick Young

A terrific entry and against all expectations a terrific trade. Top call **Dick Whyman £98** attended by **Joe Gingell £97; R Spencer £95; Chris Powell £93**. Do not delay, sell now. Inevitably, the price will fall.

Leading prices: R G Whyman £98, J P Gingell £97, R Spencer £95, C A Powell £93, A M Eales £92, R & S Carr Farms £92, P Hazeltine £91 (twice), P J Greenaway £89, AGL Ainslie £89

CULL EWES & RAMS (529) Auctioneer: Nick Young

Other centres report a lacklustre trade. Not so at Hailsham where the many buyers' guns were blazing!! Top call **R Rogers & Sons Texel ram £150**; Ewes from **Killick & Deragon £127** (twice); **G W Bridges £121; Donald Blake £119; R Spencer £118**.

Plain ewes look great value to farm on if you have dry land to put them on!

Leading prices: R Rogers & Sons £150, E Killick & C Deragon £127 (twice), GW Bridges £121, D Blake & Partners £119, £118, R Spencer £118, T Davis £116, C P Tebbutt £115 (twice)

GOATS (2) Auctioneer: Nick Young

Goats average **£149**.

MANY MORE SHEEP, IN PARTICULAR FINISHED AND STORE LAMBS AND EWES ARE URGENTLY WANTED.
