East Sussex Farmers' Benevolent Fund

Registered Charity number 271188

The Benevolent Fund was started in 1935 by a local farmer and its purpose is to support and help farmers and their dependents and those involved in the wider land based industries and their dependents. The fund is overseen by five trustees who are either local farmers or have a lifetime experience in the agricultural industries.

Assistance can vary and includes one-off grants, business support, and longer term support for those who might be unable to work due to illness or disability. The fund can also assist those entering land-based education and can contribute to the finance of relevant CPD in order to further land-based careers. If you feel that we can help or you are aware of someone who might benefit from support then please contact the Honorary Secretary of the Benevolent Fund:

Veterinary Attestation Number

effective from 13th December 2023

Livestock being sold for slaughter will require a Veterinary Attestation number to meet EU requirements if the animal and or part of the animal is to be exported out of the UK.

VAN number

Veterinary Attestation Number known as the **VAN number** will appear on the Veterinary Attestation Certificate provided by the Vet after the annual on-farm veterinary visit which will be valid for twelve months.

Vendors who are already a member of a farm assurance scheme ie Red Tractor etc will automatically qualify because they would have had a regular annual health visit from a vet.

At the point of sale potential purchasers will be informed whether stock has a valid **VAN/Farm Assurance** number.

Stock without a valid VAN number or Red Tractor approved will not qualify for export.

***VAN** - The position and implementation is on-going but the foregoing is a brief summary as at today - discussions between Defra, Welsh Government, RCVS and the Livestock Auctioneers Association are continuing.*

The industry fights hard to oppose Veterinary Attestation but 13th December looms - watch this space.

HAILSHAM MARKET - PRIMESTOCK DAY

SHEEP – 1453

Another excellent day at Hailsham. A very useful entry and dry weather. Trade for all sectors, prime lambs, store lambs and ewes, remains strong. The Chancellor in his autumn statement, despite much speculation in the media, has not abolished inheritance tax.

PRIME LAMBS (535) Auctioneer: Nick Young Overall average 267.01p

A very good entry with all meated lambs strongly contested. Trade is up nationally and Hailsham mirrored this for the second week running. Top call to the **Shields Farming Partnership**, Sidley **£153** per head, also **£140**. Second place **Mays Farm**, Polegate **£142**; third to **M Otway £141**. The price per kilo stakes were completely dominated, and quite rightly so, by the **Norton Farm Partnership**, Seaford 292p (twice), 290p, 288p and 285p. Please make them meat and keep them coming. Good feeding and presentation are paramount.

Leading prices: Shields Farming Partnership £153, £140, Mays Farm Ltd £142, £130, F G Coles £141, £133, A Wood £138, £130, The Norton Farm Partnership £134, FS Major & Sons £130

Leading prices per kilo: The Norton Farm Partnership 292p (twice), 290p, 288p, 285p, A Wood 290p, 286p, Downsview Sheep 288p, Shields Farming Partnership 282p, D Barr 280p

STORE SHEEP (515) Auctioneer: Nick Young

A good entry and a very competitive trade from first to last. At these prices, why bother to finish lambs unless a massive price hike occurs. **Shields Farm**, Sidley topped the lot at **£112** (twice).

Leading prices: Shields Farming Partnership £112 (twice), George Luck £108, Jamie's Farm £105, £92, Downsview Sheep £102, North Horsted Farms LLP £102, £97, M Smith £96, AGL Ainslie £95

CULL EWES & RAMS (403) Auctioneer: Nick Young

Week in week out, Hailsham ewes do the business!!! Cull ewes are seen by many as a by-product of the lamb industry. At Hailsham we take the sorting and selling of ewes very seriously and that is why there is always such a good trade. The best and the biggest really ring the bell with **£126** from **Mays Farm**, Polegate; **NG Goodridge £121**; **Rosie Russell £120**. As always, plain framey ewes look good value to farm on and if the trade stays where it is there is plenty of profit to be had!!

Competition is the key to achieving the best price for your sheep and it is ever present "in spades" at Hailsham Market.

Leading prices: Mays Farm £126, NG Goodridge £121, R Russell £120, P Morgan £114, £97, The Norton Farm Partnership £108, £98, A Barr £103, RD & DR Godden £101, D Spanton £100

Please let us know exactly what you have to help us to make the best price of your stock.

For up-to-date marketing advice please call the sheep hotline 01323 844874 or the mobile 07890 359622 today. We want your sheep at Hailsham!
