PRIMESTOCK SALES

TO RUN AS USUAL EVERY WEDNESDAY
OVER THE CHRISTMAS PERIOD

WEDNESDAY 27TH DECEMBER

WEDNESDAY 3RD JANUARY

WEDNESDAY 10TH JANUARY

Veterinary Attestation Number

effective from 13th December 2023

Livestock being sold for slaughter will require a Veterinary Attestation number to meet EU requirements if the animal and or part of the animal is to be exported out of the UK.

VAN number

Veterinary Attestation Number known as the **VAN number** will appear on the Veterinary Attestation Certificate provided by the Vet after the annual on-farm veterinary visit which will be valid for twelve months.

Vendors who are already a member of a farm assurance scheme ie Red Tractor etc will automatically qualify because they would have had a regular annual health visit from a vet.

At the point of sale potential purchasers will be informed whether stock has a valid **VAN/Farm Assurance** number.

Stock without a valid VAN number or Red Tractor approved will not qualify for export.
