# HAILSHAM MARKET - PRIMESTOCK DAY

## ***SHEEP – 1395***

*All roads lead to Hailsham. All of Hailsham's top vendors were represented today and received a fantastic festival trade. The prices obtained reflecting the tremendous strength of competitive demand from the keen company of buyers present. Please remember that next Wednesday, 10th April, is the official end of Ramadan. It is strongly recommended that if you have sheep to sell, you do not delay and fire them into Hailsham on that day.*

*On the political front it is interesting to note that illegal immigrants immediately become asylum seekers when they arrive in the UK!!!*

# Competitive Direct Drilling Service

Using our proven Simtech Aitchison direct drill we seed into all surfaces - grasses, clovers, brassicas, cereals, pulses, maize and all mixtures. The unique T-slot boot allows a perfect environment for the seeds to germinate, along its 3m sowing width with 20 rows (15cm). This method saves time and money compared with more traditional re-seeding methods, but is also capable of stitching and rejuvenating existing crops.
