SHEEP – 1648

A proper entry. Against all expectations trade held up well. Only three weeks to the General Election. Whichever party wins it is likely there will be increased Capital Gains Tax and Inheritance Tax will either remain unaltered or altered to the detriment of the landowner and those with assets which they wish to pass on to the next generation.

THE POLITICAL OUTLOOK, LIKE THE WEATHER, IS NOT GOOD!

MILK LAMBS (300) *Auctioneer: Nick Young* **Overall average 344.4p**

A very tidy entry and undoubtedly the bestselling sheep of the day. **Messrs. Tester** of Patching reigned supreme topping at **£183** per head and 426p per kilo. Plenty

HAILSHAM MARKET - PRIMESTOCK DAY

PRIME HOGGETS (613) *Auctioneer: Nick Young* **Overall average 262.4p**

A very good entry and despite many of the wholesalers switching to new season lambs, the trade held up very well indeed and bears close comparison with other centres nationally considering only moderate killing out percentages. CULL EWES & RAMS (476) *Auctioneer: Nick Young*
