HAILSHAM MARKET - PRIMESTOCK DAY

SHEEP – 1232

All roads led to Hailsham today with sellers from Hampshire, Surrey, East Sussex, West Sussex and Kent adding to the throng. Against expectations, the Hailsham trade across the board held up exceptionally well. In Westminster Rachel (Thieves) Reeves has had her hair lightened so that when she delivers the budget on 30th October, she doesn't look too severe. It is reported that the £40 billion which she hopes to raise in the budget by increased taxation will be offset by the £84 billion black hole of GDBP growth which will follow. Southern Water Authority report that their bills will rise by 84% over the next five years, which is the largest rise of all the water companies in England and Wales.

PRIME LAMBS (359) Auctioneer: Nick Young Overall average 284.3p
