Encouraging trade for all weights and all breeds - regular supporter and Sussex breeder David Spanton has top call at 280p per kg for the twenty month 640kg steer grossing £1792. Other Sussex in the mix: GA Innes' light weight 271p per kg and £1504.05. JD Wallis' run of prime Hereford x Friesian heifers 278p per kg (twice) and gross £1918.20, £1779.20, £1579.50 etc. Derek Southhouse has an overage Limousin heifer 270p per kg and makes a very respectable £2052.

CULL CATTLE (9) *Auctioneer: Roger Waters*

Some good cows on offer - some too good and without Red Tractor assurance.

PIGS (29) *Auctioneer: Alex Moss*

Nice to see numbers increasing but the buyers request a live weight of 95-105kg to truly benefit from the trade and sell at full value. HAILSHAM MARKET - PRIMESTOCK DAY

SHEEP – 1984

Yet another great day at Hailsham Market with big numbers on offer. Hailsham's top sellers reaped a good financial reward today and that's a fact. Trade Union leaders are meeting with the Prime Minister to achieve a re-instatement of the winter fuel allowance for old age pensioners. Given their numbers and the close relationship which the Labour Party has with the unions, it is likely they will be successful. Let us hope that the outcome of the similar meeting between the NFU and PM earlier this week will prevent the catastrophe of a curtailment of Agricultural Property Relief. Sad news for Smithfield and Billingsgate markets, which are to close. Can the House of Lords prevent this disaster?

PRIME LAMBS (827) Auctioneer: Nick Young Overall average 295.5p

A proper entry and a proper job of a trade. Top of the leader board **RL Pack £168; G Lawrence & Sons, Staplecross £160**. In the price per kilo stakes **RL Pack** deservedly captured the top three places at 339p, 333p and 330p.

An unbelievably buoyant trade considering the recent appalling weather conditions. **Messrs. Playfoot, Kent £134** (twice) and **£123; H J Hecks & Son £130** and **£114; David Blake £120**. Sell now and sell often.
