TONY BUTLER

It is with very sad regret that we inform you of the passing of Tony Butler (*Sally's Dad*) aged 88. He died peacefully last Thursday 8th April having spent a long time in hospital and nursing homes. With Covid making it very hard for anyone to see him it has been a very distressing time for us all and a very lonely time for him.

He started his career in agriculture working on Farms at Beech Farm, Battle and New Place Farm, Framfield before joining Spillers. Going back into farming he took on the tenancy at Brook Farm, Cowfold with 4 young children in tow! He then went on to managing the Ivorys Estate at Cowfold for Sir John Hornung. After the Estate was sold he ran Lewes Farmers Co-operative group for many years and then onto working for Nickerson seeds. He loved his farming life and enjoyed talking about his past to us all.

He will be sorely missed by his wife Celia and all his children and grandchildren.

A PRIVATE FAMILY FUNERAL CAN ONLY BE HELD. ANY DONATIONS TO RABI

East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers.

If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support.

Please contact the Honorary Secretary of the Benevolent Fund.
