Now the UK government has banned all meat imports from Germany due to the outbreak of Foot and Mouth Disease, my advice to the pig producer is to get your pigs well fleshed and well finished as pig prices could be driven forward due to this outbreak .

A mixed bag of pigs forward this week **Mr Green** rings the bell topping the day at **152ppk** with superb gilts, and **150 ppk** for boars weighing in at 109kg grossing **£163.50**. **Kim Parks** has a nice run of Gloucester Old Spot light cutters weighing in at 86kg reaching 120ppk and grossing **£103.20**

Plenty of interest in the strong store pigs from **M Miller** reaching **£51** per head, pleased to report they have gone to a new buyer from Hampshire!

*Entered for next week* - 25 store pigs, buyers required!

*Please let us know what you have coming so we can inform our buyers!*
