Conditions which now apply to the sale of all Primestock, Cull Animals, Store Stock and Breeding stock ie Beef Cows and Calves & Ewes with Lambs at Foot

IMPORTANT UPDATE

As Covid-19 restrictions ease we should still remain vigilant to prevent the spread of the Corona virus!

When in a group, face coverings STILL MUST be worn by EVERYONE attending the market This includes market staff.

Please REGISTER when attending the market site.

Ignoring corona virus guidelines risks outbreaks and market closures. We therefore ask that all customers co-operate with the rules to ensure our livestock markets can remain open at this busy and vital time of year. We ask that all prospective buyers sanitise on entry to the market and again on exiting the market. Disposable gloves will be available to all. Buyers on collecting their invoices from the market office do so only by adopting the two metre rule - we ask simply that only one purchaser should collect their invoice in the usual queuing area.

Both vendors and buyers are permitted to attend livestock sales if at all possible, ONLY bona-fide buyers allowed in the pen allies.

Sale documentation MUST be collected by auctioneer's staff from the vendor's vehicle. Vendors MUST NOT take paperwork to the market office or to the clerk at booking in points or enter the penning area.

Specific to Store Cattle Sales: Should any Store Cattle vendor wish South East Marts will facetime/video call the producer when their cattle are being offered through the auction ring so they can be party to sales from a safe distance. Vendors and Buyers please abide by these regulations, do not jeopardise the continuation of Livestock Auctions during these difficult times.

Remember STRICT SOCIAL DISTANCING still must be adhered to at all times, a minimum of 2 METRES

Livestock Auctioneers nationwide have assured the Government that Social Distancing will be applied at all times. We all wish to stay in business and we all wish to reduce the risk of COVID-19 infection.

East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers.

If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support.
