10:30am - 3:00pm

*Join farmers, butchers and market experts
to explore:*

- How to spot the right genetics for market-ready carcasses
- Where value is gained, or lost, on the hook
- Why parasites hit more than performance, they hit price
- How to match your stock to the right outlet – retail, high street or farm shop

You'll walk away with a better eye, better tools and a better understanding of how your choices shape the final product.
