## Livestock Auctions/COVID-19

Updated 22.07.21

**All Covid-19 restrictions lifted**  
**however we still must take precautions to prevent**  
**the spread of the Corona virus!**

**When in a group, advice is that face coverings still be worn to protect yourself and others.**

We all have to learn to live with the corona virus in future and take steps to reduce the risk of an outbreak and possibly market closure. We therefore ask that all customers co-operate and continue to respect the rules to ensure our livestock markets can remain open at this busy and vital time of year.

We ask that all prospective buyers sanitise on entry to the market and again on exiting the market. Disposable masks, gloves will be available to all. Buyers on collecting their invoices from the market office do so only by adopting the two metre rule - we ask simply that only one purchaser should collect their invoice in the usual area, queuing 2 metres apart.

**Both vendors and buyers are permitted to attend livestock sales.**  
**If at all possible, ONLY bona-fide buyers allowed in the pen allies.**

**Remember SOCIAL DISTANCING where possible & stay**  
**2 METRES APART.**

# HAILSHAM MARKET - THE SHEEP CENTRE OF THE SOUTH

Wednesday 4<sup>th</sup> AUGUST 2021 – **SHEEP 1112**

## **MILK LAMBS (486) Auctioneer: Nick Young Overall average 227.2p per kilo**

Trade has eased slightly, however big meated lambs are more expensive at Hailsham as the returns clearly demonstrated. The faithful sellers of big lambs were very well rewarded, with **Kevin Reed** taking top honours at **£130** per head and **264.3p** per kilo. in close attendance **K Parks** at **£126**.

**Leading Prices:** K Reed £130, £125, £109 (twice), R Parks £126, RG Whyman £123, £101, P Hall £119, R Russell £118, FG Coles £115, NE & VS Velvick £111(twice), G Harvey £110, The Norton Partnership £109, £102, RD Thomas £109.

## **STORE LAMBS (342)**

As always at Hailsham a proper humdinger and a good entry from Hailsham's top store lamb producers resulted in a rattling good trade to match. At this price surely it is better to sell now and buy back later on rather than keeping your lambs munching away on grass for diminishing returns. "Gun" shearer **Jack Hobden** has top call at **£114**, A superb run from **Ashdown & General Land Co**, in close attendance with **£101, £94, £93**.

**Leading Prices:** J Hobden £114, £89, Ashdown & General Land Co £101, £94, £93, K Copeland £92, J Morson £91, J Marsh £90, £89, £87, £83, PW Elliott £90, £86, NE & VS Velvick £87, SCC Downlands Project £82.

## **CULL EWES (284)**

A bumper entry and the dearest ewes in the South East and perhaps even among the dearest in the country with an overall average of **£101.28** (please check the figures in the Farmers Weekly and the Farmers Guardian) competition was at its fiercest especially for the biggest ewes in big runs. **J & S Wareham** led the way at **£140**. Superb runs from **Castle Goring Farm**, and **Mark Gammons** well received.

***Bring your ewes to Hailsham, it is where the best prices are obtained.***

# East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers.

If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support.

Please contact the Honorary Secretary of the Benevolent Fund.
