Wednesday 15th SEPTEMBER 2021 – ***SHEEP 1262***

FINISHED LAMBS (519) Auctioneer: Nick Young Overall average 233.9p per kilo

A useful entry. Quality meat sold exceptionally well and the secondary sorts were, predictably, less well received. The price tells the tale. In short, the right goods did best business.

STORE LAMBS (304)

Hailsham's jewel in the crown. Grass in abundance. An absolute flier! When the grass evaporates (as surely it will), so will the trade. Top price was **Poppinghole Farm** at **£105, J Morson £98, L Miles £94, O G Lee £93**. *Many more stores are wanted.*

CULL EWES (439)

A bumper entry. The national trade has eased but if anything, the Hailsham trade improved greatly for the best sorts as the role of honour clearly demonstrates. Plain and ultra-plain small ewes looked good value to farm on. **J & S Wareham** led the way at **£152**.

Leading Prices: J & S Wareham £152, £129, £120, £103, £100, N Cowling £118, Dr SWC Winchester £112, R & W Brown £108, J Brito £107, R Gorringer £107, K Axell £106, Somers Farm £102. *Keep those ewes coming.*

East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers.

If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support. Please contact the Honorary Secretary of the Benevolent Fund.
