SHEEP – 1035

A useful entry which was hampered by appalling weather the day before. Trade across the board is undoubtedly more buoyant, both nationally and at Hailsham, than it has been over the last two weeks. Inevitably supply will remain tight as long as adverse weather conditions persist.

HAILSHAM MARKET - PRIMESTOCK DAY

PRIME HOGGETS (398) *Auctioneer: Nick Young* **Overall average 322.8p**

A useful entry but quality was affected by the weather. The faithful were well rewarded, in particular **Hugh Allen £181 and £160; S Baldock £177; JG Eales £164, £160, £158 and £157**; good to see **Alan Taylor £158**. In the price per kilo stakes J G Eales 369p (twice), 339p and 335p. Good hoggets are a good trade provided they are meat. We want them at Hailsham as the prices clearly demonstrate.

Leading prices: HG Allen & Son £181, £160, S Baldock £177, £160, JG Eales & Son £164, £160, £158, £157, A Taylor £158
