SHEEP – 1376

A tremendous day at Hailsham. A proper entry and a red hot trade for all sheep under the Hailsham sun fuelled by the imminent Festival of Eid al-Fitr. Please do not delay.

Book your sheep into Hailsham for next week.

There was a time when Britannia ruled the waves. Now it appears our only ship remains tied up in Portsmouth when it should be in the Eastern Mediterranean.

Wake up England!!!

Top beauty tip – when applying lipstick whilst driving in a car, it is essential not to hit a pothole otherwise the lipstick ends up on the side of one's face!!!
