SHEEP – 1391

ALL ROADS LEAD TO HAILSHAM. A truly exceptional day. Proper numbers although finished hoggets are woefully short. A rip roaring trade from first to last.

In 2004 the Blair government banned foxhunting. In 2026 the Starmer government are trying to ban trail hunting! What about the collection of fallen stock?? The government would not have a clue. Beer reaches £10 per pint and pubs are closing at the rate of two per day. Diesel is at £2 per litre. What does the future hold for decent British men and women?

HAILSHAM MARKET - PRIMESTOCK DAY

Competitive Direct Drilling Service

Using our new Fentech's latest Agri Pneumatic 3m Drill (150mm spacing over 20 tines) we seed into all surfaces - grasses, clovers, brassicas, cereals, pulses, maize and all mixtures. The unique T-slot boot allows a perfect environment for the seeds to germinate, along its 3m sowing width with 20 rows (15cm).

This method saves time and money compared with more traditional re-seeding methods, but is also capable of stitching and rejuvenating existing crops.
