# HAILSHAM MARKET - PRIMESTOCK DAY

## Wednesday 29<sup>th</sup> DECEMBER 2021 – **SHEEP 495**

It is said that they are less money at other centres. After the Lord Mayors Show the top firms have not really got into gear yet, but the faithful local wholesalers did Hailsham very proud indeed, Gentlemen we salute you! # East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers. If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support. Please contact the Honorary Secretary of the Benevolent Fund.

## SDF PEST CONTROL

*Laser Bird Control*

Laser technology is now being utilised for bird pest control in farming & urban areas. It is an effective bird scarer technique, as nuisance birds, perceive the laser beam as an approaching danger so their instinctive behaviour is to move away from the protected area.
