HAILSHAM MARKET - PRIMESTOCK DAY

Wednesday 12th JANUARY 2022 – **SHEEP 1334**

PRIME HOGGETS (625) Auctioneer: Nick Young Overall average 269.8p per kg

A very useful entry – The national trade has eased in particular for heavy and overweight hoggets. This did not present much of a problem at Hailsham as there is always a good job for every type of hogget. Although it cannot be denied demand for handyweight hoggets far outstrips that for heavyweights. There is no doubt the faithful were well rewarded as the **£125/£126** per head shows. **R & W Brown** and **JWE Hobden** are joint top at **£126**, closely attended by **Frederick & Sons** and the **Norton Farm Partnership** both with **£125**. Well done to **Station Farms** achieving the top price per kilo of **£3.03p**. *There is nothing wrong with the Hailsham trade as the above clearly demonstrates.*

Leading prices: R & W Brown £126 (twice), £122 (twice), JWE Hobden £126, (twice), £123, Frederick & Sons £125 (twice), Norton Farm Partnership £125, £121, EJ Day £123 (twice), RFF Brown £123 (twice), Paley Farms Ltd £120.

Leading prices per kilo: Station Farms 300.3p, EJ Day 288.7p, 278.3p, Norton Farm Partnership 288.6p, 281.7p, 278.6p, 268.9p, 267.1p, AGL Ainslie 283.5p, 271.0p, 263.2p, M & R Bean 278.8p, G Holman 276.6p, J West 269.1p, Mason Estate 268.8p, RG Whyman 266.3p.

STORE LAMBS (525) Auctioneer: Nick Young

An unrelenting demand pervades the excellent store lamb trade at Hailsham. Competition was fast and furious. All buyers were firing particularly well. Top price in the store section was taken by **FG Coles** at **£116**, closely attended by **Jason West** at **£115**. *Good stores really are wanted at Hailsham.*

Leading Prices: FG Coles £116, J West £115, AGL Ainslie £112, NJC & P Clouting £112, £110, A Clouting £111, £96, North Horsted Farms LLP £107, RD & DR Godden £106, £100, JD Trunkfield £105 (twice), PJ Greenaway £100, J Morson £98, M Gribble £95, A Mcloughlin £95.

CULL EWES (184) Auctioneer: Nick Young

A fair entry – the best as always were a brilliant trade. Plain and ultra plain ewes look especially cheap by comparison provided one has the grub to put them on. The message is sell big and buy back plain framey ewes to farm on. Predictably **Dr & Mrs Winchester's** Texels did best business at **£140**, runners up **Mrs P Bignell**, Waldron and **Rex Smith**, Bethersden (the Guv'nor making a worthwhile trip to Hailsham!) both selling at **£125**.

Leading Prices: SWC Winchester £140, PM Bignell £125, £113, R Smith £125 (twice), £110 (thrice), J Wates £124, FG Coles £120, R Russell £113, G Holman £110, RFF Brown £110, N Cowling £105.

Please let us know what you have so that we can inform our many buyers.

East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers. If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support. Please contact the Honorary Secretary of the Benevolent Fund.

SDF PEST CONTROL

Laser Bird Control

Laser technology is now being utilised for bird pest control in farming & urban areas. It is an effective bird scarer technique, as nuisance birds, perceive the laser beam as an approaching danger so their instinctive behaviour is to move away from the protected area.
