Small entry – Selling to £93 from S Edmond.

CULL EWES (275) Auctioneer: Nick Young

A typical hailsham humdinger – Other centres throughout the UK were reporting lesser returns – not so at Hailsham. A great entry and a great trade. However with the festival starting on the 9th July ewes are being stockpiled so do not delay as when the time comes the trade may not be at the same level as it is now. Top price of the day Oak Ridge Farmers' Texel £202.

Leading Prices: Oak Ridge Farmers £202, £138 (thrice), J Vockins & K May £149, S Edmond £142(twice), Frederick & Sons £140, PW Elliott £138, I Hobden £138, K Wheeler & Sons £136, £134, L Taylor £135, RJ Padfield £134 (twice), AC Ellett £133.

BREEDING SHEEP (55) Auctioneer: Nick Young

After more warm summer rain at the weekend – the grass is away, increasing the interest of many buyers. GWH Osbourne tops the day with his ewes with smart single Texel lambs at £171 (£85.50 a life). Closely followed by Mr & Mrs Beesley's ewe with well grown lamb at £170 (£85 a life) and £168 per outfit (£80 per life) for Romneys with continental cross lambs at foot. Many buyers went home disappointed, so let us know what you have to sell so we can advertise accordingly.

Competitive Direct Drilling Service

Using our proven Simtech Aitchison direct drill we seed into all surfaces - grasses, clovers, brassicas, cereals, pulses, maize and all mixtures. The unique T-slot boot allows a perfect environment for the seeds to germinate, along its 3 metre sowing width with 20 rows (15cm). This method saves time and money compared with more traditional re-seeding methods, but is also capable of stitching and rejuvenating existing crops.
