HAILSHAM MARKET - PRIMESTOCK DAY

SHEEP – 1377

“And behold the heavens did open and rain fell on the righteous at Hailsham”

Also Baaeed won the Juddmonte at York!

A busy day at Hailsham, numbers were brought forth as a result of the drought and many of those lambs showed the ill effects of the same

PRIME LAMBS (484) Auctioneer: Nick Young Overall average 238.3p

A two tier trade – best biggest meated lambs were battled while the smaller sorts and bad percenters faced a lukewarm trade. The top spots were captured by the best feeders e.g. **Passmore-Coombe's** run of lambs topping at £127 and **George Dallaway at £126**

Leading prices: Passmore-Coombe £127, £125, £123, £122, £118, £112, £111, G Dallaway £126, Jamie's Farm £118, £110, Mrs D Barr £117, £110, EJ Day (Penshurst) Ltd £113, J Sprigings £110, R Russell £109.

STORE LAMBS (621) Auctioneer: Nick Young

A fantastic entry which mirrored the finished price. Again it was the biggest and best which rang the bell and the smaller lambs look good value to farm on. The very best lambs all north of £80

CULL EWES (220) Auctioneer: Nick Young

Yet again a great entry and a trade which bucked the downward trend – some centres were seeing a fall of £25 per head, not so at Hailsham. Whatever the ewe we have a job for it at Hailsham. **Roddy Mair** takes top price with his cull ram at £161. (great to see you back again this week) **Passmore-Coombe** have top price in the ewe section with £136
