HAILSHAM MARKET - PRIMESTOCK DAY

Wednesday 2nd FEBRUARY 2022 – **SHEEP 1058**

It is said in the media many people struggling on low incomes are facing a choice of eating or heating. Surely if you eat you will be heated!!

PRIME HOGGETS (501) Auctioneer: Nick Young Overall average 270.3p per kg

An excellent show, many big lambs met a very strong trade despite other centres reporting a slackening demand. Quality counts and Hailsham's top producers were well rewarded. **Benny (and the Jets) Wheeler aka "the Alien"** does best business at a resounding **£149** per head taken by top quality butchers **Team Hutchings**.

Hailsham's own **Michael Grove** has top price per kilo at 286.1p.

STORE HOGGETS (340) Auctioneer: Nick Young

A two tier trade, the best have never been dearer and the moderate sorts look good value. The prices here under tell the entire truth. Undoubtedly the dearest in the country. **Mrs P Bignell** has top price at a resounding **£132** per head. Bring your stores to Hailsham – this trade surely cannot last (we've said it before).

Online support with managing stress, succession and future planning.

The national Farming Help charities (FCN, Forage Aid and Addington Fund) have launched new awareness raising sessions for delivery from February 2022 – with a focus on stress management, succession and planning for the future of the farm business.

The sessions – which are supported by DEFRA and will initially be delivered online by representatives from the Farming Help charities in England – are informed by the knowledge and experience of the charities, who regularly hear directly from farmers about the key challenges they are experiencing.

The sessions are discussion-led and take a positive approach towards change, inviting audience participation and the sharing of experiences to benefit others.

Scenarios have been designed to get people thinking about how they would respond in a particular situation – including a difficult conversation around succession on the family farm and two farmers responding to change in drastically different ways.

The second sessions will take place online on the following dates and are targeted at farm groups, businesses and stakeholders across agriculture:

- 10 March 22 (12-2pm)
- 11 March 22 (12-2pm)

If you are interested in attending these sessions please contact training@fcn.org.uk to book your free place. Further information about the sessions is available here:

<https://fcn.org.uk/training-and-development/> – Later in the year sessions will be delivered in person, with Covid precautions in mind.

East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers. If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support. Please contact the Honorary Secretary of the Benevolent Fund.
