## **SHEEP – 1148**

*Preamble:-* The seventh week of war in the Ukraine, surely the government will wake up to the fact we need to defend our borders and as importantly source food from within the jurisdiction and stop importing from abroad immediately.

This is an important lesson from history and it appears lessons haven't been learned – **WAKE UP ENGLAND!!**

**PRIME HOGGETS (595)** **Auctioneer:** Nick Young  
*Atrocious weather conditions* – did not dampen the ardour of sellers and buyers alike. However there is no doubt that at Hailsham and other centres in the country, heavy and ultra heavy hoggets are difficult to place. **Robert Smith** and **D,S & P Humphrey** share top slot at **£141** per head, Messrs **Humphrey** also had top price per kilo of **293.5p**.

**Leading prices:** RH Smith £141, D,S & P Humphrey £141, £135, M Woolgar £128, N Hacking £125 (twice), £122, JJ Bushell £125, £122, J West £125, Passmore-Coombe £125, AC Ellett £124, HH Visser £123, J & S Harmer £123, RD & DR Godden £122 (twice).

## **STORE HOGGETS (308) Auctioneer: Nick Young**

*The usual Hailsham humdinger – with fierce competition from all sectors, good to see away buyers in attendance. With prices this good in the stores, surely it is better to take profit now than sell on what must undoubtedly be a falling trade post Easter. **T Patton** takes top price at **£118**.*

**Leading Prices:** T Patton £118 (twice), Sharnfold Farm £116, J West £114 (twice), £111, A Mitchell £114, R & S Carr Farms £114, £113 (twice), E Gingell £113, RM Woodham £112, A Standing £112, P Foord £111, £109, M Mckay £108.

## **CULL EWES (214) Auctioneer: Nick Young**

*A really terrific trade – with fierce competition and several upsets which surely proves how good the Hailsham trade is. A good entry, hard fought from first to last. Trade was significantly better than the national, keep these ewes coming, Ramadan ends at the end of April – *get ready*.*

**Leading Prices:** D,S & P Humphrey £184, £176, RH Smith £165, £148, £146, H Hawkins & Co £160, £149, Passmore-Coombe £156 (twice), £145 (twice), £140, JJ Bushell £148, R Russell £147, V Miles £141.

# East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers.

If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support. Please contact the Honorary Secretary of the Benevolent Fund.
