Livestock Auctions/COVID-19

Updated 29.04.21

Hailsham Market from now on will be operating under standards agreed by DEFRA and The Welsh Government.

Conditions which now apply to the sale of all Primestock, Cull Animals, Store Stock and Breeding stock ie Beef Cows and Calves & Ewes with Lambs at Foot

IMPORTANT UPDATE

As Covid-19 restrictions ease we should still remain vigilant to prevent the spread of the Corona virus!

When in a group, face coverings STILL MUST be worn by EVERYONE attending the market This includes market staff.

Please REGISTER when attending the market site.

Ignoring corona virus guidelines risks outbreaks and market closures. We therefore ask that all customers co-operate with the rules to ensure our livestock markets can remain open at this busy and vital time of year. We ask that all prospective buyers sanitise on entry to the market and again on exiting the market. Disposable gloves will be available to all. Buyers on collecting their invoices from the market office do so only by adopting the two metre rule - we ask simply that only one purchaser should collect their invoice in the usual queuing area.

Both vendors and buyers are permitted to attend livestock sales if at all possible, ONLY bona-fide buyers allowed in the pen allies.

Sale documentation MUST be collected by auctioneer's staff from the vendor's vehicle. Vendors MUST NOT take paperwork to the market office or to the clerk at booking in points or enter the penning area.

Specific to Store Cattle Sales: Should any Store Cattle vendor wish South East Marts will facetime/video call the producer when their cattle are being offered through the auction ring so they can be party to sales from a safe distance. Vendors and Buyers please abide by these regulations, do not jeopardise the continuation of Livestock Auctions during these difficult times.

Remember STRICT SOCIAL DISTANCING still must be adhered to at all times, a minimum of 2 METRES

Livestock Auctioneers nationwide have assured the Government that Social Distancing will be applied at all times. We all wish to stay in business and we all wish to reduce the risk of COVID-19 infection.

COVID-19 Track & Trace is now in operation

Should anybody that has been in the market test positive they will be required to identify contacts.

Contacts - ie.

Someone within 1 metre of them with whom they have had a face-to-face-conversation, had skin-to-skin physical contact, have coughed on, or been in other forms of contact within 1 metre for 1 minute or longer someone within 2 metres of them for more than 15 minutes someone they have travelled in a vehicle with - or has been seated near them on public transport.
