Livestock Auctions/COVID-19

Updated 24.06.21

As some Covid-19 restrictions have been extended we must remain vigilant to prevent the spread of the Corona virus!

When in a group, advice is that face coverings **SHOULD** be worn by **EVERYONE** attending the market.

Please continue to **REGISTER** when attending the market site.

Ignoring corona virus guidelines risks outbreaks and market closures. We therefore ask that all customers co-operate with the rules to ensure our livestock markets can remain open at this busy and vital time of year.

We ask that all prospective buyers sanitise on entry to the market and again on exiting the market. Disposable masks, gloves will be available to all. Buyers on collecting their invoices from the market office do so only by adopting the two metre rule - we ask simply that only one purchaser should collect their invoice in the usual area, queuing 2 metres apart.

Both vendors and buyers are permitted to attend livestock sales. If at all possible, ONLY bona-fide buyers allowed in the pen allies.

Specific to Store Cattle Sales: Should any Store Cattle vendor wish South East Marts will facetime/video call the producer when their cattle are being offered through the auction ring so they can be party to sales from a safe distance. Vendors and Buyers please abide by these regulations, do not jeopardise the continuation of Livestock Auctions during these difficult times.

Remember SOCIAL DISTANCING still must be adhered to at all times, a minimum of 2 METRES APART.

We all wish to stay in business and we all wish to reduce the risk of COVID-19 infection. Should anybody show symptoms and or test positive they should not attend the market until they have quarantined and a further negative test.

HAILSHAM MARKET - THE SHEEP CENTRE OF THE SOUTH

Wednesday 23rd June 2021 – SHEEP 538

Thainstone Mart we are told is one of the biggest in the UK –

Hailsham is amongst the smallest, but it has the power of a Fox Terrier as today proved!

Auctioneer: *Nick Young*

MILK LAMBS (276)

Overall average 230.0p per kilo

Nationally the finished price has melted like butter against the sun. Hailsham stood firm and by comparison sold well although not like last weeks dizzy heights. Big well meated lambs were strongly contested from first to last. Small under finished/bad percenters took the biggest price hit. Quality is king and it really does count as the undermentioned roll of honour clearly demonstrates. Top farmer/contractor **Simon Feakes** led the way at **£132**.

Leading Prices: SD & JJ Feakes £132, £109, JR Pedder £107, D,S & P Humphrey £107, £97, K Copeland £106, £96, FS Major & Sons £100, G Holman £100, M Gammons £99 (twice), £96, G Harvey £98, H Arpino £98, CP Fuggle & Sons £97.

Top Prices per kilo: SD & JJ Feakes 277.9p, 244.4p, R & K Livestock 241.5p, 232.6p, D, S & P Humphrey 240.0p, 234.9p, M Gammons 236.5p, 233.5p, 232.9p, G Holman 236.4p, K Copeland 234.2p, H Arpino 235.6p, P Appleby 235.0p, CP Fuggle & Sons 231.0p.

PRIME HOGGETS (52)

Overall average 202.2p per kilo

Hoggets unbelievably remain a good trade if properly meated.

Leading Prices: R Bonome £128, £106, J Gwynne £121, J Hardisty £119, K Davis £108, £103, W Burnley £95, M Funnell £91.

Top Prices per kilo: W Burnley 235.1p, J Gasson 231.6p, R Bonome 222.6p, J Hardisty 210.6p, K Davis 207.7p, 206.8p.

CULL EWES (165)

The highlight of Hailsham week in week out and today was no exception. Other centres suffered a price reduction, not so at Hailsham. The Hailsham faithful were well rewarded. All ewes were battled fiercely from first to last by the big factory men. The festival of Eid al Adha is three weeks away, it is wise to get as much selling done now, as ewes are being stockpiled for the festival throughout the world.

R Bonome takes top call with a newsworthy **£191**. Come to Hailsham the price is right!

Leading Prices: R Bonome £191, D Owers £146 (ram), GA Verity £146, R Crowther £144, £126, Moorhouse Farm £133, £129, R & W Brown £131, £127, £123, £121, M Grove £127, J Gasson £120, Station Farms £119, J Hardisty £119, J Gwynne £117.

BREEDING SHEEP (Couples)

A terrific trade. Grass growth is tremendous and so is the price. All couples look exceptionally well sold with **R Bonome** selling to **£228** per unit. We need many more to fill the void.

Please let us know what you have so that we can inform our many buyers.

East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers.

If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support.

Please contact the Honorary Secretary of the Benevolent Fund.
