Definitely dearer than a fortnight ago – with fierce farmer competition promoted by recent rain and flush of grass. Certain buyers left empty handed, which is a measure of how good the trade was. Tremendous runs from **WH Gingell & Sons** with their Aberdeen Angus selling to **£1,250** and **Jane Andrew's** superb Simmental heifers **£1,050, £1,020** at 12/13 months – going on to beef up a suckler herd at Wadhurst really rocked the rostrum!!
