INCONCLUSIVE TB REACTORS

Tuberculosis (England) order 2021 – as amended

Have you had an Inconclusive Reactor on your holding – which has subsequently been resolved ie passed it's TB test.

Please check your historic "IR's" before selling them NB:

They can only go direct to a slaughter house or AFU under licence.

South East Marts are happy to arrange this for you.

The only other option is to test the animal again at your cost using an interferon-gamma blood test, then if negative restrictions will be lifted.

East Sussex Farmers' Benevolent Fund

Registered Charity number 271188

The Benevolent Fund was started in 1935 by a local farmer and its purpose is to support and help farmers and their dependents and those involved in the wider land based industries and their dependents. The fund is overseen by five trustees who are either local farmers or have a lifetime experience in the agricultural industries.

Assistance can vary and includes one-off grants, business support, and longer term support for those who might be unable to work due to illness or disability. The fund can also assist those entering land-based education and can contribute to the finance of relevant CPD in order to further land-based careers. If you feel that we can help or you are aware of someone who might benefit from support then please contact the Honorary Secretary of the Benevolent Fund:

Des Lambert on (07912) 464746 or (01273) 890841
