HAILSHAM MARKET - THE SHEEP CENTRE OF THE SOUTH

Wednesday 18th AUGUST 2021 – **SHEEP 1438**

MILK LAMBS (608) Auctioneer: Nick Young Overall average 235.8p per kilo

The Hailsham average was bang in line with the National price. However the trade is split. Biggest Best meated lambs experienced an unprecedented demand with very many sold at **£120** and upwards. Smaller lambs are experiencing a weaker demand and many would be best either sold in the store section or retained for further growth and finishing. Trade is good but *'it is what it is'*. Its important to produce big meat for the finished section. Those who know reap the price reward. Undoubtedly trade has been helped by the forthcoming bank holiday weekend. If in doubt, sell your lambs in the store section where the price tells *'the truth and nothing but the truth'*. **CH Ellis Ltd** are the undoubted kings of the Hailsham price with a resounding **£130** per head, **Mandy Woolgar** has top price per kilo at **274.2p**.

Leading Prices: DP Ellis £130, £125, £119, £118, M Woolgar £128, £122, EJ Day £125 (twice), £116, A Brewer £125, S Cook £125, £124, FG Coles £121, Worth Abbey Projects Ltd £120, R White £118, D & L Westgate £116.

Top Prices per kilo: M Woolgar 274.2p, 246.2p, EJ Day 261.5p (twice), 257.2p, D & L Westgate 260.7p, 257.1p, 252.5p, A Brewer 257.7p, DP Ellis 255.9p, CF Fuggle 251.7p, 247.8p, Worth Abbey Projects Ltd 250.0p, Downsview Sheep 247.7p, R Smith 247.0p, FG Coles 246.4p.

STORE LAMBS (597)

A veritable humdinger with some superb runs of quality lambs from throughout the South East. With plenty of grass on offer there is a certain reluctance to sell which in our opinion is unwise when realistically how can this price be bettered with the very best selling from **£90** upwards. **Alison Jutton** and **Adrian Brewer** share top call at **£96**. A superb run from **Jamie's Farm** were well received selling at **£90** all the way through. *Do not delay sell now as undoubtedly the price will reduce as Autumn bites and we feel the chill of Winters icy grip.*

Leading Prices: A Jutton £96, A Brewer £96, C Axell £92, R & K Livestock Services Ltd £91, DG & JH Jackson £90, AGL Ainslie £90, J Thompson £ 90 (twice), Jamie's Farm £90 (thrice), S Carter £90, £89, New Barn Partners £90, £89, CV & RP Neale £90.

CULL EWES (197)

A cracking entry once again at Hailsham. All proper meated sorts rang the bell, with a run of superb Texel cross selling to **£130, £127, £124** etc.

Leading Prices: D Turner £130, £127 (twice), £124, £119, £115, £114, £108, JA Patty £114, S Cook £114, GN & J West £112, R Russell £112, R Parsons £109, Passmore Coombe £109, R Smith £109, M Holgate £107.

BREEDING SHEEP (36)

A selection of Texel cross Tegs look good value to farm on at **£127 & £125**. Many more Tegs and breeding sheep wanted. We believe demand will be exceptional this year. **Please let us know what you have.**

East Sussex Farmers' Benevolent Fund

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers.

If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support. Please contact the Honorary Secretary of the Benevolent Fund.
