Livestock Auctions/COVID-19

Updated 25.08.2020

Hailsham Market from now on will be operating under standards agreed by DEFRA and The Welsh Government.

Conditions which now apply to the sale of all Primestock, Cull Animals, Store Stock and Breeding stock ie Beef Cows and Calves & Ewes with Lambs at Foot

All Purchasers must register on entering the market.

Social distancing must be strictly adhered to, i.e. 2 metres apart around the sale ring or sale pens. Gathering points MUST be prevented.

IMPORTANT UPDATE

Face coverings MUST be worn by everyone attending indoor livestock markets this includes our Cattle Ring

Sale documentation MUST be collected by auctioneer's staff from the vendor's vehicle. Vendors MUST NOT take paperwork to the market office or to the clerk at booking in points or enter the penning area.

We ask that all prospective buyers sanitise on entry to the market and again on exiting the market. Disposable gloves will be available to all. Buyers on collecting their invoices from the market office do so only by adopting the two metre rule - we ask for simply that only one purchaser should collect their invoice in the usual queuing area.

Specific to Store Cattle Sales: Should any Store Cattle vendor wish South East Marts will facetime/video call the producer when their cattle are being offered through the auction ring so they can be party to sales from a safe distance. Vendors and Buyers please abide by these regulations, do not jeopardise the continuation of Livestock Auctions during these difficult times.

Livestock Auctioneers nationwide have assured the Government that Social Distancing will be applied at all times - Please abide by this -

We all wish to stay in business and we all wish to reduce the risk of COVID-19 infection.

COVID 19 Track & Trace is now in operation

Should anybody that has been in the market test positive they will be required to identify contacts.

Contacts - ie.

someone within 1 metre of them with whom they have had a face-to-face-conversation, had skin-to-skin physical contact, have coughed on, or been in other forms of contact within 1 metre for 1 minute or longer

someone within 2 metres of them for more than 15 minutes

someone they have travelled in a vehicle with - or has been seated near them on public transport.

Sale of Store Cattle

“Mastering Medicines” Farmer Training Course

Making best use of farm medicines is not only good practice but in an environment where antimicrobials and wormer resistance is on the rise it is becoming more apparent that farmers have the working knowledge on it too. *Suitable for Red Tractor requirement AM.b.1*

Learning outcomes:

- Develop knowledge on different types of medicine available
- Safe administration of medicines
- Storage and maintenance according to legislations and farm assurance
- The difference between vaccines and treatments and legislative classes
