

HAILSHAM MARKET REPORT

WEDNESDAY 7th OCTOBER 2020

PRIME CATTLE (2) (UNDERAGE & OVERAGE) Auctioneer: Roger Waters

Only two lean British Blue cross steers selling to just over £900,. Three butchers weight cattle promised for next week, why not join them?

CULL COWS (6) Auctioneer: Roger Waters

Trade remains unchanged, once again Sussex reign supreme to 136p per kg Robert Page's well fleshed cows gross over £900. Howard Venters' Hereford cross to 116p to feed on. Selling cull cows this autumn, they will probably look no better than they do now!

Wednesday 21st October - Pedigree Aberdeen Angus stock bull to be sold immediately before the Cull Cows

CALVES (24) Auctioneer: Roger Waters

A smart entry of calves - well done Martin Skinner and Cor Vandermeer a credit to you both. Simmental cross bulls £240, £235, £230 (twice), Simmental cross heifers £235, £220, Aberdeen Angus cross bulls £200, £192, £190 (twice), Aberdeen Angus cross heifers £135. Reared Friesian Holstein stirks to £165, £140, etc.

PIGS (0) Auctioneer: Roger Waters

No pigs on offer this week

A great entry although not the massive numbers of last week

PRIME LAMBS (468)

Overall average 193.3p per kilo

A good show of meated lambs found a better trade than last week which goes against the national trend. Mrs C A Cox takes top honours per head at £113 with Mrs Lizzie Sargent top per kg at 246.6p

STORE LAMBS (562)

Definitely no let up in this trade, whatever the lamb Hailsham has a good job for it. Although they say there is nowhere better than Hailsham the results speak for

themselves! Denzil Fears from Buxted has top price of £81. The top store lamb producers were well rewarded.

Leading Prices: DC Fears £81, A Wood £76, N Reader £76, £75.50, £74.50, £69, Douglas Partners £72, £68.50, J & M Craig £71, Mrs CA Cox £71, J Morson £70, J Gasson £68, Somers Farm £68.

CULL EWES (494)

A good entry, trade definitely not as exciting as it has been either nationally or at Hailsham although the best look well sold as do the plainest. Middling ewes around £55/£65 look good value to farm on. Many more ewes wanted - please let us know what you have.

### **East Sussex Farmers' Benevolent Fund**

The Benevolent Fund charity was created in 1935 by a local farmer and its purpose is to support farmers, farm staff and those involved in the wider land-based industries. Support can also be given to family dependants. Beneficiaries are normally resident in East Sussex or neighbouring counties. Income from property and investment legacies help to finance the fund in addition to generous donations, the fund is overseen by five local trustees with strong agricultural connections.

Help can be for those currently in work, or who have retired or who are unable to work due to illness or disability. The fund can also assist those entering land-based education and help with relevant CPD for furthering land-based careers. If you feel that we can help or you are aware of someone who might be experiencing difficulties we will be pleased to support.
