

SOUTH EAST MARTS – HAILSHAM MARKET

Primestock report for

WEDNESDAY 3rd OCTOBER 2018

PRIME CATTLE (UNDER AGE & OVERAGE) (7) Auctioneer: Roger Waters

Lightweight Sussex steer from Martin Erxleben sells at 180p and it would be wrong not to report AJ Moss & Sons' lightweight Angus cross heifer at 174p. More butchers cattle needed for next week.

CULL COWS (7) Auctioneer: Roger Waters

Cull cows beginning to look a little weathered with most of the entry going for further feeding. Mottingham Farm's British Blue cross cows to 120p and £828 per head and Simmental cross cow to 114p.

CALVES (26) Auctioneer: Roger Waters

Little change in demand, G & R Bailey's Limousin cross bulls a respectable £195 and £190. Holstein bulls to £37. Small Channel Island bred British Blue heifers to £142 and bulls to £102. – Next Wednesday 10th, 22 reared calves – see separate advert.

PIGS (4) Auctioneer: Roger Waters

John Brooker's Landrace cutter weight gilts 99p and 97p, it's been better and it has been much worse!

Next week - Wednesday, 10th October - 5 porkers entered.

SHEEP (1610)

Auctioneer: Nick Young

MILK LAMBS (518)

Overall average 164p per kilo

A truly diabolical trade and it is small comfort to know this is in line with other centres throughout the UK, where supply has outstripped demand. When the trade for the best is only moderate the also rans have no chance. Our best advice is to hold on if you possibly can.

Top price per head:- C A Lee & Sons £84.50, £80, M Grove £84, £82.50, FG Coles £84, TD Butcher £81.50, R Peate £79, JFH Farming Ltd. £77.50, Trinidad investments £77, A Almeida £77, FCR Butler £76, £75, Mrs PM Bignell £75, K Ashburner £75.

Top price per kilo:- K Ashburner 170.5p, 165.1p, G Horton 165.5p, M Grove 165p, FCR Butler 164.9p, 161.6p, 160.2p, NY Estates 164.3p, Mrs PM Bignell 163.3p, R Peate 161.4p, Hollycombe Farms Ltd 161.3p, J Brito 161.1p, Mayes Farm Ltd 160.6p, CA Lee & Sons 160p, 159.1p, CG & AA Brooker & Son 159p.

STORE LAMBS (632)

Considering where the finished price lies trade is surprisingly buoyant across the board. Our firm advice is to buy and sell as many store lambs during the autumn period as is possible. Who knows what the price will be when the grass disappears and Brexit turmoil appears.

T Kidger £60, M McKay £60, S Macdonald £58.50, R Pomfret £57.50, £54, Frederick & Sons £56.50, £55.50, £55, £54, £53.50, £51, £50.50, FCR Butler £55, A Brockhurst £54, Mrs H Race £53, J Morson £51.50.

CULL EWES (324)

Nationally trade is around £40 per head. The Hailsham trade operates at a higher level although undoubtedly it is hard work. Lean ewes should be retained on farm for

further fattening through the winter months. We believe the home demand will be good this winter.

AGL Ainslie £80, £63, C Avery £75, L Miles £69, TD Butcher £66, EJ Day (Penshurst) Ltd £65, K Ashburner £64, Hollycombe Farms Ltd. £64, Mays Farm Ltd. £64, Divine Innocence Trust £63, J Field £62, C Faulkner £60, KM Hawes £60.

BREEDING SHEEP (136)

A mixed bag. Young smart bred ewes a ready demand, older plain ewes less so. John Goodman's Charollais shearing ewes £100 and Suffolk shearing ram £200.

Many more rams entered next week - See separate advert.
