STORE LAMBS (335)

A useful entry but the quality was disappointing and this was reflected in the price.

Strong lambs for further finishing or the ethnic trade were keenly contested, the others were not.

CULL EWES (145)

The national price is in the doldrums (£46 per head), Hailsham ewes were all above £50 with the exception of the plain and ultra plain. Big runs of meated ewes were very well received. The faithful were well rewarded. Look after Hailsham and it will look after you.
