D Day was remembered at Hailsham Market by the fly past of Spitfires in formation closely followed by a Dakota. We shall remember them.

The right sorts were keenly contested from first to last, staler sorts were not. Leading highlights, FS Major & Sons £98.50, closely followed by K Davis £93. Many more couples wanted at Hailsham please let us know what you have It was good to have the Rev. Ray in attendance for the sake of all our souls!!!???

# BADGER TB VACCINATION in East Sussex

Vaccination gives badgers some protection against TB and so offers the potential to reduce TB in cattle. Larger-scale badger vaccination projects are already underway in Derbyshire, Cheshire and Nottinghamshire. Please come along to find out more about badger vaccination and to share your thoughts on a pioneering badger vaccination project in East Sussex.
