MILK LAMBS (33)

Overall average 300p per kilo

Nothing like enough for the level of demand. Plenty of buyers in evidence and a telephone butcher who wanted to be in on the act. Big Bob Felton from Horsted Keynes ruled the roost with a staggering 360.2p per kilo (£134 per head). We are desperate for milk lambs, get yours to Hailsham now.

Top price per head:- RJ Felton £134, £106, Friday Street Farmers £133, £129, £105, North Horsted Farms LLP £121, £111.

HOGGETS (377)

Overall average 229p per kilo

Although the national trade has eased we have no complaints whatsoever with the Hailsham price. A wonderful trade irrespective of dentition (provided we know what they are) and provided they are meat. Robert Page of Littleworth Farms is "King of the Castle" with an astounding £151. A fabulous run of Suffolk x Mule ewe hoggets from S & F Carr & Daughters met with fierce competing buyers, pushing the price to a staggering £143.

Please make them meat, dag and belly them and shut them up overnight and your success will be guaranteed.

Leading price per head:- Littleworth Farms £151, £149, £131, P Cruise £146, £133, M Brett £143, £135, S & F Carr & Daughters £143, £138 (twice), £137 (twice), £134, C Avery £136, D Smith £133, T Carr £130.

CULL EWES (292)

Hailsham ewes are a phenomena week in week out. Very much Liquorice Allsorts but an exceptional demand from the big warring factory men pushed prices skywards. Once again congratulations on Robert page getting top price.
