HOGGETS (306)

Overall average 163.8p per kilo

The FTSE 100 leading shares rise by the day. We wish we could say that about the finished hogget price. There is 13p per kg. difference in price between the national standard and heavy hogget price figures. Best finished hoggets provided they fit the retail butcher specifications are in demand. The faithful were well rewarded, under-meated hoggets are wanted but only in the stores.

STORE HOGGETS (364)

Fierce competition from first to last which fuelled prices. Very many more store lambs wanted. Please let us know what you have. It pays to sell stores and it definitely pays

to sell stores at Hailsham.

G Drewett £63.50, £50, GWH Osbourne £63.50, £58, CD & J Jeffries £58.50, CA Powell £58, £51.50, S & F Carr & Daughters £55.50, £53, £50.50, New Barn Partners £55 (twice), M McKay £54.50, £53.50, T Avon ££54, Castle Hill Farmers £51.50.

CULL EWES (109)
