

## SOUTH EAST MARTS – HAILSHAM MARKET

Primestock report for

**WEDNESDAY 12<sup>th</sup> SEPTEMBER 2018**

### **PRIME CATTLE (UNDER AGE & OVERAGE) (18) Auctioneer: Roger Waters**

Just the three, Mrs. Sarah MacDonald's medium weight Simmental cross 108p.

### **CULL COWS (11) Auctioneer: Roger Waters**

Desperately short. Chris Berry's Hereford x Holstein £1,125.50.

### **CALVES (56) Auctioneer: Roger Waters**

Once again plenty of interest in young calves, the Cranfield family from Plumpton support with their Aberdeen Angus cross bulls £265, £260, British Blue cross heifer £245 and Fleckveih bulls £210 twice. Top five black and white bulls £80, £60, £42, £40, £40.

### **WEDNESDAY, 19th SEPTEMBER**

Consignment of 16 Hereford cross and Aberdeen Angus cross steers and heifers, 5/8 months old  
also 6 British Blue x Friesian steers and heifers, 3/4 months old

### **PIGS (21) Auctioneer: Roger Waters**

The sun shines on the pig trade. Standean Farm's crossbred gilts 118p per kilo and entires 99p. M Farbrother's Saddleback cutter weight gilts 95p per kilo, pleasing results.

**Next Wednesday, 19th September - 4 White cutters entered**

### **SHEEP (1,512)**

*Auctioneer: Nick Young*

### **MILK LAMBS (655)**

*Overall average 166.1p per kilo*

Nationally trade is well back and so were we. There was a passable trade for the best but very little trade for the rest. Sadly this is the case nationwide. It certainly pays to make them meat and particularly so under the conditions which prevail.

*Top price per head:-* B J Hicks £96, £81, E Sargent £93, £79.50, The Norton Farm P'ship £88, S & F Carr & Daughters £86.50, £82, D Spanton £84, AGL Ainslie £84, Ashdown & General Land Co. £82.50, (twice), S Cook £82, D Sutton £81, Downsview Sheep £80.50, DW Reed £80.

*Top price per kilo:-* E Sargent 203.9p, 197.9p, D Spanton 179.6p, 176.8p, 173p, Downsview Sheep 177p, 176.5p, 171.4p, The Norton Farm P'ship 174.9p, 172.6p, DW Reed 174.3p, R Parks 172.1p, S Cook 170.8p, S & F Carr & Daughters 170.5p, Ashdown & General Land Co. 170.1p, RFF Brown 169.8p.

### **STORE LAMBS (730)**

A fabulous entry and a serious trade to match which we are pleased to report bore no relation to the finished trade. The current flush of grass and optimism for the future were the catalysts.

D Sutton £67, £63, DG & JH Jackson £66, £59, R Spencer £65, C Smith £64, L Barrett £63, HC Grissell £63, £59, J Field £63, S Cook £63, Ashdown & General Land Co. £62.50, £59.50, SR Powell £62, £59, M Harding £59.50.

## **CULL EWES (117)**

A diabolical national trade (in the low £40's) provided a price indicator which we easily beat at Hailsham. Big well fleshed ewes and rams were a good go. Plain and framey ewes remain tremendous value for further finishing.

New Barn Partners £78, £62, C Bowers £76, The Norton Farm P'ship £73, £69, £65, £63, N Bowie £72, J Gasson £71, L Barrett £69, Ashdown & General Land Co. £58, I Williams £54.

### **Next Wednesday, 19th September**

# PAPER BEDDING THAT ENHANCES LIVESTOCK HEALTH

**It is suitable for ALL types of cattle.**

- Cost-effective alternative to expensive straw.
- Helps to reduce Dermatitis and Mastitis
- Reduces Ammonia and odours.
- Gypsum helps to retain nitrogen and aerate the bed pack for better air penetration.
- Non-caustic. Doesn't burn or cause dried skin on animals feet.
- Adds Calcium & Sulphate to manure. Free administration service for spreading exemptions.

**Gypsum based paper bedding is most popular due to the benefits which include super absorbency and its neutralizing factor, which is ideal to reduce the growth of pathogens, release locked up nutrients at spreading. Gypsum based paper bedding will keep bedding area and feeding area dry. The paper bedding works equally well in either loose housing or cubicles.**

**For a free sample and early bird offers, which include FREE HAULAGE.**
