**County Administrator at Sussex Young Farmers**

We are looking for a keen, self driven, enthusiastic County Administrator to get involved in helping to run Sussex Young Farmers.

**Who are we?**

Sussex Young farmers is a membership organisation with approximately 200 members aged between 10-26 years spread over 9 clubs within the county. The Young Farmers movement is a national youth organisation offering opportunity and training to its members as a means of personal development, community involvement and with an interest in rural and countryside issues.

**An opportunity**

An opportunity has arisen within Sussex Young Farmers for someone to become our county administrator. This will be based in our office at Plumpton College and will be a part-time role taking approximately 2.5 days a week at £10 per hour , to also include some evening

**The role**

The role of the administrator will be to help support the running of the Sussex Young Farmer's office with a variety of responsibilities including: the processing of membership forms, helping to organise events, publishing a monthly newsletter, general admin duties, attending county meetings, and organising social media/website content. You will need to be self-motivated and keen to help drive efficiencies in the way we do things.

The role will report directly to the Sussex Young Farmers President, but you will be expected to liaise on a regular basis with the Development Officer, Treasurer and County Chair.

**We are looking for someone who:**

- is friendly, fun, positive and self-motivated to join our county team.
- is keen to be involved and help become even more successful.
- is able to communicate effectively, especially with young people.
- has a general interest in the countryside and supporting young people within the rural community.

The role will suit someone self-employed, who is looking for part-time and flexible working hours. An understanding of agriculture will be useful, but not necessary for this role.

If you are interested in this role please send your CV and an accompanying letter to Sussex YFC at [sussexyfc@plumpton.ac.uk](mailto:sussexyfc@plumpton.ac.uk)  
The deadline for applicants is 21st June and we will be looking to short-list and hold interviews during the week commencing 10th July.  
DBS check will be applicable for this role.
