#### **STORE LAMBS (490)**

A predictably good entry but many more could have been sold to advantage.

Competition is king and buyers competing to be in pole position. With a gloomy prospect for the finished lambs surely it must pay to sell your stores now and Hailsham

is the place because we have the keenest competitive trade. Store lambs will definitely be wanted next week, the buyers are hungry for good store lambs and the highlight of the day was the Hailsham store trade.
