## LAMBS

### Class 2 ~ BEST PEN OF 25 LAMBS OR OVER

First ..... R Ponsford  
 Second.... S & F Carr & Daughters  
 Third..... M & S Roberts

Despite the hot weather and the September sand demand was rock solid, virtually all the Suffolk x Mule ewe lambs with strength and size changing hands between £74 and £90 per head, many £80 plus. Confidence is king!

All stores successfully traded, small longer keeping lambs and working lambs perhaps better value.

## RAMS

An enormous entry, a great trade for the best, a moderate trade for the rest. Charollais, Texel and certain Suffolks were keenly contested, the also rans despite the vendors views their geese were swans were patently not wanted. Commerciality is king, those that produced rams that were wanted were well rewarded, the others were not.
