HOGGETS (555)

Overall average 165p per kilo

A vastly improved entry in terms of both the numbers and quality forward today. Trade is far from wonderful anywhere within the UK but Hailsham fared better than most.

With the national heavy hogget price of 154p how could we not. Superb offerings from Team Ainslie and Jeremy West's brilliant Beltex both rang the bell.

Leading prices per head:- AL Ainslie £81.50, £77.50 (twice), GN & J West £79, The Norton Farm P'ship £78, £74 (twice), BD Wheeler £78, FW & MJ Akehurst £77.50, £74, JN Carr Farms £77.50, JRV Wheatland £76.50, RJ Miles £75, FS Major & Sons £75 (twice), £74.50,

Leading prices per kilo:- C Deroo 182.3p, 179.6p, 167.5p, GN & J West 180.4p, 174.1p, 170.5p, Hollycombe Farms Ltd 174.3p, 165.9p, Plumpton College 173.7p, 163.8p, RJ Miles 169.3p, 165.7p, Smith & Clouting 166.7p, BD Wheeler 164.4p, JRV Wheatland 163.9p.

STORE HOGGETS (452)

A much quoted phrase but today's store hogget price was an out and out flier made all the more acute by the dismal national price. The gloves were off and the many buyers fought for ascendancy. Now must surely be the time to take advantage of Hailsham's wonderful store price and get those hoggets sold. We have the trade and we want them please.

B J Champion £67, G Bowers £63, £61.50, C Avery £61.50, T Martin £61.50 (twice), A Uridge £60, E Meader £59.50, G Isden £59 (twice), W Paxton £59, R Parks £58.50, O Soucek £57.50.

CULL EWES (102)

The national price is only a miserable £50 per head. The Hailsham price was 10/15% better than that, but certainly not an explosive trade. There is no doubt trade will improve when numbers dry up following the drafting of the ewes which have been scanned empty. Plainer sorts are extremely difficult to place.

G N & J West £91, £64, £64, £60, Smith & Clouting £65, J Glessing £64, £56, L Andreozzi £63, £55, A Winter £62, £60, £50, The Norton Farm P'ship £60, G Bowers £60, £53, E Els £59.

BREEDING SHEEP (20) Herdwick ewes in-lamb to Zwartble ram £42.
